

## Outdoor Courses, continued

### Outdoor Skills Day

Whether you are taking a group to Cadette-O-Rama or just for fun, come and learn all about knots, lashing, maps and compass... **and bring your daughter!**

Begin with a Continental Breakfast

Then, learn all about Maps and Compass.

Learn the basics for reading a map & following a compass.

Enjoy a meal with your classmates as lunch is provided

Then spend the afternoon learning about Knots and Lashing.

Learn all the ins and outs of squares, bowline, half-hitch, friendship knot, overhand, taut-line hitch, sheet bend, sheep shank, lark's head, and fisherman's knot. And learn to lash a hand washing station to a full on kitchen set-up.

Leave with tons of knowledge and a few goodies!

Prepare for Cadette-O-Rama!

**You can sign up as volunteer or as a volunteer/daughter pair.** Girls must be 6th through 12th grade, and be a registered Girl Scout. All girls must be with their parent, as there are no girl only registrations.

There is a **\$15.00 fee per attendee** to cover materials and lunch. The fee must accompany all registrations.

Space is limited, so be sure to register early!

### Anaheim Program Center

Course	Day	Date	Time	Registration Deadline
1310	Saturday	March 22, 2008	9 am - 4 pm	March 6, 2008
1334	Saturday	September 13, 2008	9 am - 4 pm	August 29, 2008

To register, complete and submit the *Course Registration Form*, page 25, to GSCOC by the course registration deadline.

If your daughter will be joining you for the Outdoor Skills Day, please complete the portion below, in addition to the Course Registration Form. Please return both (this portion and the Course Registration Form) to GSCOC by March 1, 2008 & August 30, 2008.
